Dear Mr. Brandwein:

I appreciated your clear and very informative presentation on recent Soviet missile developments at our last meeting. As on previous occasions, your concise but comprehensive briefing was most helpful in putting evolving Soviet programs in a clear perspective.

I particularly appreciated your helpfulness in joining us at quite short notice.

Sincerely,

John J. McCloy

Mr. David S. Brandwein,
Room 1D1617,
Central Intelligence Agency,
Langley Headquarters.
